

5/6B NEWSLETTER – 14th June 2019

This newsletter is brought to you by some students from 5/6B

SPORT:

In sport we have been doing basketball. Our coaches name is Josh. We have been doing a lot of drills to practise our skills. We also played a few games but they were basketball related. The games were called Golden Child Chinese Walls and Knock Out.

By Lachie P and Chevy.

NUMERACY:

Over the past week we have been looking at Data, Representation and Interpretation. We have looked at different types of graphs. We have looked at bar graphs, line graphs, and tally graphs.
