

# 5/6B NEWSLETTER-2019

Date: 22nd March, 2019

## Literacy:

The next few weeks we will be continuing with our narrative writing. Each lesson we have been working on different skills to help enhance our writing so that readers are more engaged.

## Resilience Project [RP]

This week our lessons focused on 'Empathy'. We all participated in a class discussion about:

- What empathy is
  - Ways in which we can show empathy to others.
- We watched a lovely video on YouTube called "Life Vest Inside - Kindness Boomerang - "One Day".

Ask your child to show you this video and let them tell you how it made them feel.

I am really proud of how students are responding to these RP lessons.

Remember the parent info night is on **Monday 29th April at 7pm at KWSC.**

## Maths:

We are currently starting our topic of Addition. Students will be recapping on the foundations of Addition, working on adding positive and negative numbers and using estimation and rounding skills to answer worded problems.

## Meet Bob!

This week we were lucky enough to have Lachie P bring in his new puppy Bob. We all enjoyed having a cuddle and taking some photos.

## Notes to remember:

**Reading each night:** Please remember to encourage your child to read for 20 minutes each night. Readers need to be signed by a parent/guardian at least once a week please.

**Icy-Poles**-Icy-poles are for sale on the deck at lunch time. 50c per icy-pole. Students are not allowed to buy icy-poles for other students, unless they are siblings.

### **Parent helpers:**

I love having parents helping in the classroom. If you would like to come in and support with math lessons, we would love 1-2 extra hands during math ninja times (Wednesday at 10am). Either pop in or send me an email or flexi buzz and we would love to have you :)

**Student of the Week**– Congratulations to our students Kaylee and Nadia for receiving our Student of the Week awards this fortnight.
