MATHS: WE HAVE BEEN WORKING ON ADDITION EQUATIONS. THE STUDENTS MADE 'GUS THE PLUS' AND FROM THERE WE HAVE ALSO LEARNT THE SYMBOL FOR EQUALS AND HOW TO SET UP AN EQUATION. THE STUDENTS HAVE ENGAGED IN MANY ACTIVITIES TO DO WITH ADDITION INCLUDING LADY BUGS, ADDITION CHAINS AND ANSWERING SUMS.

LITERACY: STUDENTS STARTED DICTATION (WHERE THEY ARE READ A WORD AND NEED TO USE THEIR LETTER SOUND KNOWLEDGE TO SPELL). YOU CAN SEE THE AMAZING RESULTS!
