

# 5/6B NEWSLETTER-2019

Date: 8th March, 2019

## We just wanted to say...

In spite of the recent Bunyip State Park fires, as a class we spoke about the importance of the Country Fire Authority. We would like to pass on our thanks to all the fire fighters, volunteers and their families for everything that has been achieved this past week. If you or your families were involved or you took supplies to where they were needed, we are **extremely** grateful. CFA workers and volunteers play a vital role in our community and we wouldn't manage without them.

## Maths:

We are currently continuing with our focus on number and place value. Students have been working hard in their daily rotations learning with hands on games, focus groups with myself and also using digital technologies.

## Parent helpers:

I love having parents helping in the classroom. If you would like to come in and support with math lessons, we would love 1-2 extra hands during math ninja times (Wednesday at 10am). Either pop in or send me an email or flexi buzz and we would love to have you :)

## Notes to remember:

**Reading each night:** please remember to encourage your child to read for 20 minutes each night. Readers need to be signed by a parent/guardian at least once a week please.

**Icy-Poles**-Icy-poles are for sale on the deck at lunch time. 50c per icy-pole. Students are not allowed to buy icy-poles for other students, unless they are siblings.

**Student of the Week**– Congratulations to our students Chevy and Dean C for receiving our student of the week awards these last two weeks.
