

Bayles Regional Primary School

One to One iPad Program

Apps required for Middle School Student iPads

The following apps will need to be installed on the iPads for Middle School Students by the beginning of Term 1, 2016. Prices are correct at time of printing.

Picture of App	Price	Description of App
 Dictionary.com	FREE or \$6.49 for premium version	Top-rated app with trusted reference content from Dictionary.com & Thesaurus.com. WORKS OFFLINE - no Internet connection needed when searching words.
 Mathletics	FREE	Students will be able to use their Mathletics Codes to complete course work on this app.
 Explain Everything Interactive Whiteboard	\$5.99	Explain Everything is a unique interactive screencasting whiteboard app. Create and share ideas as videos and more with easy-to-use tools and integrations.
 Reading Eggs	Free	ABC Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities.
 Google Classroom	Free	A virtual classroom. Used for making classroom announcements, sharing work and submitting assignments.
 Google Drive	FREE	Google Drive is one safe place for all your items. Upload photos, videos, documents, and other files that are important to you, then access what you need wherever you go, on any device.

 Google Docs, Slides and Sheets	FREE Separate apps	Allows students to create, edit and collaborate on documents, power points and spreadsheets
 Minecraft	\$10.99	Minecraft when used for education can enhance Creative Writing and Maths lessons.
 iMovie	\$6.49	Creates short movie advertisements for book reports or excursions and Inquiry Projects.
 Pic Collage	FREE	A fun way to present projects with text and gifs.
 QR Reader	Free	Reads codes for easy access to assessment test online.
 Book Creator	\$7.99	Create and publish ebooks, pdfs and comics for projects or portfolios.
 The Calculator Free	Free	
 Times Table Toons	\$2.99	To practice and rehearse the time tables

More apps may be required throughout the year.

Please make sure you update the software and apps when it is required.
