TERM 1

WEEK 10

NAPLAN

Each week the kids are being exposed to NAPLAN style questions to get them ready. Miss Gunton has also been taking the Year 3's for an hour a week to practice. NAPLAN will be sat from the 14th to the 16th of May.

Nightly Reading

It's been wonderful seeing how many nights the kids have read this Term. I would really love to see everyone reach at least 150 nights by the end of the year. I have a good feeling that we'll get a few kids at 300 nights come December.

Spelling Words

I've been really happy with how the kids have been going with their spelling words. I won't be giving the kids any words over the holidays, but first week back we'll get straight into it.

HAVE A WONDERFUL EASTER

Term 1 has come to an end very quickly and holidays are upon us. Thank you to every family for your support and encouragement towards the kids this Term. I hope everyone has a great two week break and the Easter Bunny drops off a few choccies.
