TERM 2

WEEK 2

Numeracy Focus: Shape - 3D shapes and Area/Perimeter. The student pre-test results were very pleasing across the board. We'll be working on working out the area of irregular shapes, as well as identifying the characteristics of 3D shapes and 3D shape nets.

## Mother's Day Morning

7<sup>th</sup> of May - 9am → 10am.  
Feel free to pop in for a few activities and grab a pancake. It would be great to get as many Mums/Nanas/Aunties as we can.

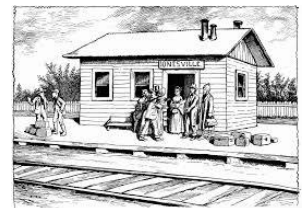

## Inquiry Unit Term 2

Our focus for Term 2 will be around Bayles history and how we can make a positive impact on our local environment. So far we've explored how Bayles got its name and what the Bayles township looked like in the early 1900's.

## Inquiry walk

Next week we'll be going for a walk to the Fauna Park to explore and look at the historical landmarks and buildings.

Literacy Focus: Over the next few weeks our writing focus is on Persuasive writing. We've been writing persuasive arguments on 'Should animals be kept in Zoos' and 'City life is better than country life'.
