

3/4A Newsletter

Term 2

Week 4

NAPLAN is COMPLETE!

A very big congratulations to all of the Year 3's. They did a great job in trying their hardest and applying their full focus during the assessments.

Results won't be out until later in the year.

Mother's Day Morning

It was lovely to see some Mum's pop in last week. I hope you enjoyed the morning and had a lovely Mother's Day as well.

Upcoming Bunnings visit

Bunnings will be visiting us shortly to donate some plants/gardening tools and bench seats. The students will be creating a native plant habitat around the oval, as a part of our Think Local, Think Global Unit.

Walk to the Park...

On Wednesday the 3/4s went for a stroll up the the Bayles Fauna Park. It was great to head outdoors to do a bit of learning and to see the historic landmarks we'd spoken about in class. Skippy and his mates even popped out of hiding to say 'Hello' to us.
