Term 2

Week 8/9

Grandparents Day

Thank you to all the wonderful visitors we had the other morning. I hope they all enjoyed spending time with their grandchildren and loved our performance. The kids did an outstanding job.

Volcanoes!

Over the past few weeks we have been writing procedural texts. Last week we created water bottle volcanoes, using vinegar, water, dishwashing soap and bi-carb soda. The kids loved making a mess and creating mini eruptions.

Bird houses and possum boxes.

This term for Inquiry we have been looking at our local environment. Recently we began constructing bird houses and possum boxes to put up around the school. They're coming along very nicely and will be up in the trees shortly.
