## Term 3 Week 1/2

### Literacy Focus

At the beginning of Term 3, we're focusing on poetry and the different forms of poems we can write. We've already written concrete poems, alliteration, acrostic, visual, sensory and rhyming poems. The kids have been writing their good copies into the 'Book of poems' which will go home at the end of the unit.

Certainly going to be cracking light reading or a coffee table addition.

### \$\$\$ Numeracy Focus \$\$\$

For the first three weeks of the term our numeracy focus is money and financial mathematics. The kids have been learning about calculating change, working out discounts, percentages and how much it actually costs to go food shopping. It's been an enjoyable unit so far and hopefully they'll become more thrifty with their money.
