TERM 1 WEEK 4

JOLLY PHONICS HOMEWORK

Please make sure your child is doing their sound sheet **every night**.

It is also important that their reader bag/homework book and journal are **returned daily**.

We will be learning:

In Jolly Phonics we will be learning the sounds: p,n,c,k and e.

In Maths, we will be starting to look at numbers from 20 and beyond. Working on recognizing numbers, counting collections, counting forwards and backwards.

In Inquiry, We will be having a lovely visit from Pam our Crossing Lady on Monday to talk about her role and responsibilities.

We have been learning...

In Jolly Phonics we have learnt the sounds: s,a,t and i. We have also made some crafts to go with each letter sound. Students have also learnt to read the words: it, sit, at and sat through the letter sounds we have learnt so far.

In Maths we have been looking at numbers to 10 and beyond. With great focus on number recognition, counting collections and counting forwards and backwards.

Student of the Week

QUYNN LAGUNES
